PROFESSIONAL SUMMARY

A media professional with deep roots in Quanzhou, Fujian, with extensive experience in the Hong Kong and Macao media industry. Holder of a Master of Science in Innovative Multimedia Entertainment from The Hong Kong Polytechnic University, with a dual background in intelligent technology and multimedia entertainment. Specializing in new media operations and visual communication, with a track record of managing the official Xiaohongshu (RED) matrix of the Macao Government Tourism Office, growing followers from 110,000 to 130,000 (18% growth) within six months, producing 50+ high-conversion posts with peak single-post engagement exceeding 1,000 interactions. Demonstrated strong project execution and resilience under pressure; recipient of a HK\$20,000 startup grant from The Hong Kong Polytechnic University Micro Fund, and participated in large-scale events including the Visit Macao by Chinese Olympic Athletes series and the Hong Kong International Cultural Summit. Possesses exceptional aesthetic sensibility and content creation capabilities, having published the personal photography collection Macao Reflections (permanently collected by the Macao Public Library) and received multiple awards at professional photography competitions.

INTERNSHIP EXPERIENCE

Project Assistant

Jan 2026 – Jul 2026

Knowledge Transfer and Entrepreneurship Office, The Hong Kong Polytechnic University

- Provided comprehensive photographic documentation for departmental meetings and events, producing high-quality visual assets to support publicity and archiving needs.
- Participated in depth in event planning processes, assisting in the customization of proposals and execution details; leveraged new media operations experience to support creative content presentation.
- Coordinated venue setup and spatial arrangement to ensure the event environment met brand visual requirements.
- Efficiently executed project schedules and tasks, demonstrating strong execution capability and cross-departmental collaboration awareness.

Editorial & Production Assistant

Feb 2025 – Jul 2025

Lotus TV, Macao

- Assisted in planning offline brand activation events, overseeing booth construction and managing sponsor communications to ensure precise execution of marketing plans.
- Monitored industry trends in real time, providing fresh perspectives and creative solutions for brand content creation to enhance immediacy and audience engagement.
- Participated extensively in live news broadcast workflows, rotating through roles including assistant director, camera operator, and on-site coordinator, demonstrating composure under pressure and cross-departmental collaboration.
- Assisted with daily news editing, research, fact-checking, and proofreading.

Campus Journalist

Sep 2023 – May 2025

City University of Macau

- Designed innovative visual scenarios tailored to diverse campus event needs, such as the ‘Olympic Athletes Campus Visit’ and university promotional brochures. Produced professional-grade photography that transformed campus activities into compelling visual assets, strengthening the university’s brand presence.
- Led pre-event shooting script development and full-process planning, demonstrating strong analytical and organizational capabilities; coordinated efficiently with on-site team leads to optimize execution workflows under high-pressure conditions.

New Media Operations Assistant

Dec 2023 – Sep 2024

Zhuhai Dacool Interactive Technology Co., Ltd.

- Managed the official Xiaohongshu (RED) account matrix for the Macao SAR Government Tourism Office; analyzed platform user profiles and travel preferences to develop targeted content strategies. Produced 50+ high-conversion posts with peak single-post engagement exceeding 1,000 interactions, effectively increasing Macao’s cultural tourism brand penetration among young mainland Chinese audiences. Follower count grew from 110,000 to 130,000 during tenure.
- For the 2024 and 2025 Macao International Parade projects, led the planning of an integrated ‘visual + event’ communication strategy, reshaping traditional folk festival scenes through innovative cinematographic perspectives.

IT Systems Assistant

Quanzhou Development Group Co., Ltd.

Jul 2023 – Aug 2023

- Responsible for the planning and maintenance of the corporate website architecture; utilized HTML and Python to optimize information flow presentation and enhance users’ digital experience; capable of applying big data analytics to review website traffic performance.
- Oversaw the full workflow of promotional video planning, filming, and post-production, leveraging visual technology to strengthen the brand’s digital promotion effectiveness.

PROJECT EXPERIENCE

13th Macao International Travel (Industry) Expo (April 2025)

Role: Exhibitor

Showcased Macao Reflections as a model case of integrated cultural tourism; assisted the Macao Study Tour Development Association in facilitating business matching, analyzed supply-demand dynamics in the cultural tourism market, and supported the conclusion of multiple cooperation agreements.

Visit Macao by Chinese National Olympic Athletes Series (October 2024)

Role: Editorial Assistant

Closely followed Macao’s industrial transformation trend of ‘4+1 Industries: Sports + Tourism’ integration; conducted in-depth analysis of youth and visitor preference data, assisted in drafting communication scripts and optimizing on-site shooting routes to ensure cultural tourism content reached core target audiences. Executed the full filming workflow in strict accordance with the script; demonstrated outstanding adaptability and execution in cross-departmental collaboration, with distinctive cinematographic perspectives amplifying the event’s brand reach.

Hong Kong International Cultural Summit (March 2026)

Role: Media Journalist

Responsible for media content planning and production; through in-depth news reporting and visual storytelling, comprehensively enhanced the event’s digital dissemination and brand influence.

Lotus Art Center (March 2025)

Role: Exhibition Assistant

Explored the integration of art and tourism; assisted in exhibition installation and planned the opening interactive session, enhancing the immersive quality and brand value of the cultural tourism venue.

Pin Guan ‘Let’s Meet Today’ Concert Tour — Macao (September 2024)

Role: Photographer

Captured rehearsal footage, live performance shots, and artist candid photography; coordinated with the concert event workflow to ensure smooth execution.

14th Macao International Film Festival (December 2022)

Role: Photography Assistant

Assisted with official event photography, fulfilled on-site responsibilities, and demonstrated strong on-site coordination and composure under pressure
